Mr. Hickey suggested roads that should be resurfaced in 2024 and 2025.

Mr. Hickey discussed several projects included a Pier Wall, the Glosser Road Pipe and Capital Project items and their projected costs.

Mr. Hickey informed the Board that asphalt costs are expected to increase 8% for 2024.

Mr. Hickey discussed his preference for Poly Patch over Dura Patch. Mr. Hickey stated that Poly Patch is more flexible and lasts longer. The Trustees requested additional information regarding cost comparison and cost to purchase equipment.

Mr. Hickey presented the Board 4 quotes for resurfacing the Administration Facility parking lot. The quotes ranged from \$137,394.00 to \$182,264.71. The parking area wraps all the way around the administration building, firehouse and road department and covers 10,007 square yards.
